Attention: Cristina Cesario

Dear Ms. Cesario;

Thank you for supporting Commisso's Fresh Foods 5th Anniversary food drive for Project SHARE! Your donation will help us provide emergency food to an average of 100 families per day who are living below the poverty line in Niagara Falls.

Project SHARE is the emergency food bank and support services agency in Niagara Falls. We distribute over 800,000 lbs. of emergency food each year, and run educational and support programs including housing, community gardens, emergency utility assistance, community referrals and more to increase food security. Commisso's Fresh Foods is a valuable community partner in our mission to eliminate hunger in Niagara Falls, and I truly appreciate your support of their campaign.

With your donation, Rocky and his team at Commisso's Fresh Foods were able to surpass their goal and collect over 18,000 lbs of food for our emergency food program!

Thank you for your kindness and contribution to ensure none of our neighbours go hungry. Best wishes for a happy, healthy 2016!

Pam Sharp, CFRE
Community Development Coordinator
